PBC family,

Thank you for your continued support of the Hope House mission. As of this message we are serving three women. These women all have a little over a year of sobriety each and are focused on the path of recovery. We continue to see God's work every day in their lives and the life of our ministry.

Personally, I cannot begin to tell you in words how much your support means to me. It is people like you, your support, and prayers that continue to inspire me at just the right times.

Thank you again.
